Sri mas

With reference to the above I write to state that Government in their order No L 10157-60/C M 7-49-81 dated 27th March 1950, sanctioned the said acquisition and the final declaration statements were published in the Gazette dated 27th April 1950 Then notice under Sections 9 & 10 Land Acquisition Act was issued and served on the owner on 5th June 1950 to file her claim statement on 13th June 1950 In response the owner Srimathi Puttamma filed an objection petition through her counsel Sri H Venkatesha Murthy, B A , LL on the proposed acquisition and also stated that there would be no necessity to acquire her property alone while the adjacent lands were left out in the present proposal

On the objection raised by the owner, I inspected the spot along with the Corporation Engineer on 10th August 1950 and found there was no need to acquire the property in question, as the locality was not congested and the road was sufficiently wide enough Then a recommendation was placed before the Standing Committee (Town Planning & Improvements)

P T O

and the Corporation dated 14th December 1950 and 18th March 1951 respectively for consideration, wherein they resolved to drop the acquisition proceedings on the said property Copies of the said proceedings are herein enclosed for favour of reference

I request that sanction of Government may kindly be obtained to drop the present acquisition proceedings with necessary publication of the enclosed withdrawal notification in the Gazette

Forwarded with compliments,

MAYOR
